We, the C P Patel & F H Shah Commerce College Alumni Association, as per the discussion made in the meeting of the Trustees under the chairmanship of the Secretary and Managing Trustee of Sardar Patel Education Trust have come to know that C P Patel & F H Shah Commerce College being a Grant-in-Aid college needs monetary fund to undertake developmental activities in the college. Therefore, we the Alumni Association has decided to help our alma mater to develop Rain Water Harvesting System, Borewell/Open well recharge, Constructions of Tanks and Bunds, Waste Water Recycling, and Maintenance of water bodies and distribution system in the campus. The Alumni Association wishes to develop all these facilities in the college campus so that the college can perform at its best in GIRF, NIRF and NAAC. We feel proud to be the students of this college which holds the first position in AAA. We are confident that the college will earn A++ grade in upcoming NAAC assessment under the dynamic leadership of Dr R D Modi.
