Sub :Clarification regarding metrics 1.2.2 & 1.2.3

Sir,

This is with reference to the NAAC DVV of our college with regard to Metrics of 1.2.2 & 1.2.3. In this regard we would like to clarify two important matters:

- 1) While copying the information of the Data Template from the IQAC file to the Final Data Template of the SSR format, a mistake had occurred in pasting the information, which we have rectified and provided the ACTUAL CORRECT Data of the Add on Programs/ Diploma Programs/ Certificate Programs running since 2014-15 to 2018-19., and
- 2) (i) There has been a mistake in the Data where the data of the year 2017-18 has been doubly provided. **The enrolment in the CERTIFICATE PROGRAM IN GERMAN LANGUAGE in 2017-18 is of 71 students and 60 students have cleared the program. There is no such data of 60 and 60.**
(ii) In the Certificate Course in English (CCE) (The Name of the Program as decided by the Affiliating University in 2008 is **CERTIFICATE COURSE IN ENGLISH** which we have continue in our SSR of NAAC 3rd Cycle also) has 53 students passed out in the year

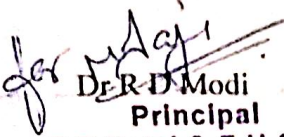

Therefore, it is an honest and humble request from our side to kindly consider the matters rectified and evaluate our performance accordingly.

Moreover, the Certificates of the students of the Add On Programs has been handed over to them as and when the program was completd , sowe have some blank sample documents for your reference.

I as the Principal of the college assure you that the above information provided is accurate to the best of my knowledge.

Thanking you,

Sincerely,

Dr. R. D. Modi
Principal
C P Patel & F H Shah
Commerce College, Anand
