NAAC RE-ACCREDITED A+ GRADE (CGPA 3.30)
(MANAGED BY SARDAR PATEL EDUCATION TRUST, ANAND)
Affiliated to Sardar Patel University, Vallabh Vidhyanagar
INTERNAL QUALITY ASSURANCE CELL (IQAC)

ACTION TAKEN REPORT

ACADEMIC YEAR 2023-24

- ✓ *The staff and students of the College were brought into the thinking and planning processes of autonomy from the very beginning. Workshops, discussions and consultations were organised to make the staff familiar with the concept, objectives and rationale of autonomy.*
- ✓ *It was decided by the IQAC that the feedback would be collected from all stakeholders in the months of October and November and analysis would be conducted. Based on the analysis, necessary changes would be incorporated into the system.*
- ✓ *Result analysis was conducted in all Departments. The information was used to identify areas of strength and weakness in order to focus teaching where it was most needed. identify overall trends of the Departments' performance could be identified as well as constructive feedback for individual students could be provided.*
- ✓ *The Departments were instructed to encourage students to go on OJTs and internships. Part-time internships at reputed institutions/organizations were also to be considered*
- ✓ *Diverse methods and materials were used in remedial teaching, with which new ways were used to approach the subject that was to be learned. Proactive remedial teaching was also introduced in which the new things that were to be learned were introduced beforehand.*

- ✓ *The Placement Cell introduced training focused on subjects related to industry experience. Since more and more companies were looking at how well students were prepared to work in an industry, training focused on real world problems and what the industry currently required*
- ✓ *It was decided that a training programme on MS Office and Tally would be conducted for the Non-Teaching staff so as to orient them to perform all basic accounting, taxation and managing payroll.*
- ✓ *Since E-resources played a vital role a-11 over the world, it was important that the teaching faculty knew the importance of e resources, as it was accepted by all because of its accessibility, affordability, and readability.*
- ✓ *All the Departments were given Mentoring Books. The mentors were trained to encourage and empower students in personal development and help them identify and achieve career goals. The mentors were instructed to meet their mentees' and update the mentoring books on a regular basis.*
- ✓ *The IQAC encouraged the different Departments to be committed for the protection of environment and stewardship of natural resources, while ensuring quality of life on the campus, through adoption of innovative practices and action plans. Measures were taken to ensure and sustain harmonious blend of human and environmental well-being*
- ✓ *Extension activities were planned and conducted by most Departments. A Social Outreach Committee was formed.*
- ✓ *The internal audit of the Department was planned for the month of February. A team led by the IQAC Coordinator, Dr S M Pillai comprising the Principal Dr R D Modi, UGC Coordinator, and Administrative Officer would visit the different Departments to encourage them to improve quality processes in teaching and learning and thus enhance student success. The Departments could note opportunities for improvement during the audit and thus identify initiatives for improvement. A format for the Academic*

and Administrative Audit was created by the IQAC and forwarded to all team members.

- ✓ *The Departments convened their Board of Studies meetings and fruitful discussions on syllabus revision were carried out. It was decided that since the parent University, Sardar Patel University was going in for a new syllabi for UG programmes, the same could be adopted by the Institution as that particular syllabi would have had incorporated all the present market requirements.*
- ✓ *The Annual Reports were made and was released on the Annual Day.*
